

Activity:

Part 1: Use iPads or computers to research Southern White Rhinos. Find out about the following:

- Their physical features
- Their behaviours
- Their diet
- Their habitat
- The threats they face in the wild

You can find out about other species of rhino as well.

Part 2: Write a letter to a Rhino poacher to explain why it is important to conserve the Rhinos. Use persuasive language and facts within your letter to try and influence them to stop hunting.

Extension activity: Create a conservation poster for Southern White Rhinos to display in school to help educate people about the threats they face but also the special features of the animal and why we need to preserve them.
