

Park Art

Activity: Whilst visiting Cotswold Wildlife Park take photos of your favourite animals on an iPad or camera. When you get back to school have a go on the computer at selecting and then printing your favourite animal photo that you are going to make a clay sculpture of. Sketch your animal sculpture idea below and label the parts you need to include eg: 'textured skin' or 'feather detail'. Note down materials and tools you might need.

Materials needed: Clay, paints, photograph of animal, sculpting tools
