

Education Volunteer

The Museum is due to reopen on the 21st June 2021 and therefore an opportunity has arisen at the Wildlife Park to join the Education Department as a volunteer. We are looking for volunteers to help welcome visitors to our on-site museum. You will help to facilitate activities, such as object handling, trails, answering questions and keeping resources stocked.

The museum will be open to the public at weekends and school holidays. If you have a keen interest in animal anatomy, classification and animal adaptations and have a few hours to spare, please come and join us. You will enjoy welcoming, meeting and talking to people of all ages and backgrounds, and be confident interacting with everyone from families to VIP guests. Enthusiasm for the collections is more important than expertise.

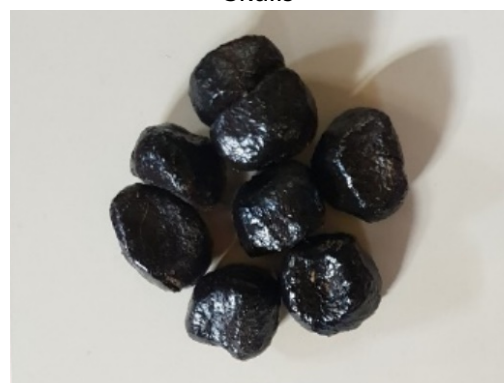

Sloth

Skulls

Stork Skeleton

Camel Poo
